Welcome aboard!!

Congratulations on selecting the newest and most exciting addition to the Gaylord Opryland River Boat Family! It's the ideal setting in which to enjoy the pleasure and company of friends, family, associates, or clients. The Music City Queen is available for exclusive use (charter) year round. You are "limited only" by your imagination on this fun vessel.

Let our professional "mates" plan a special event for your group. Breakfast, lunch, reception, dinner or late night desserts as well as live entertainment can all be arranged to your specifications. Three deck levels offer a variety of settings for boat wide events. Chartered use can accommodate up to 140 guests for a seated meal in the two level dining cabin with additional 60 seats available undercover on the outer deck areas. Up to 300 guests can be accommodated for a boat wide reception.

Remember, we're here at your service, totally committed to the success of your event. Call on me and we'll be sure to leave the next year's planner wondering "*How they can ever top it!*"

Happy Sailing,
