Conference Faith Advance

- Requests for assistance from the Conference Faith Advance are to be processed through the principal and/or financial office of the school. The local school board is responsible for determining eligibility and the process for obtaining help from this fund. The school submits the names of students they deem eligible for assistance to the Office of Education and the conference issues a check to the school for the total amount requested for students to be applied to their accounts. The amount per school is determined by a formula involving the church membership and Conference Faith Advance offering received by the conference. The amount per student is determined by the school.
