## **ACCESS INFORMATION**

[summerteacher@puc.edu](mailto:summerteacher@puc.edu) / **URL LINK:** [www.puc.edu/summer-teacher](http://www.puc.edu/summer-teacher)  
*Please read carefully to ensure that you are able to register successfully.*

- Due to the intensive nature of these courses and seminars, it is recommended you register for only one course at a time. However, it is not mandatory. You may not sign up for courses that overlap in time.
- **In order to access the internet at PUC** you will need to use your PUC email address and password. See the Education Summer School site for details.
- If you do not qualify for a tuition waiver, check the [website](#) for tuition costs.
- Failure to let Records and Education know you are dropping a class will affect your grade.
- Any material fees for classes and workshops, including the \$75 technology fee, are not covered by your conference. **Technology fees for online classes as well as any materials fees, etc. for classes will be automatically charged to your account upon registration.** Check the schedule for information about fees for workshops and classes.
- All of the textbooks for classes are available online from the [PUC Bookstore](#) website. However, since the number of textbooks available is based on past enrollment, it is important to enroll early in order to be sure of obtaining a textbook. More textbooks will be ordered as needed, if there is enough time before class begins.
- All classroom designations that begin with ED are in the Education Department.

## **How to sign up for classes:**
